

Rim Exchange

Dear Automotive Customer,

Please read the information below with care. If your vehicle should be affected by this exchange, please see to it that the rims are exchanged immediately.

1. Are my rims affected?

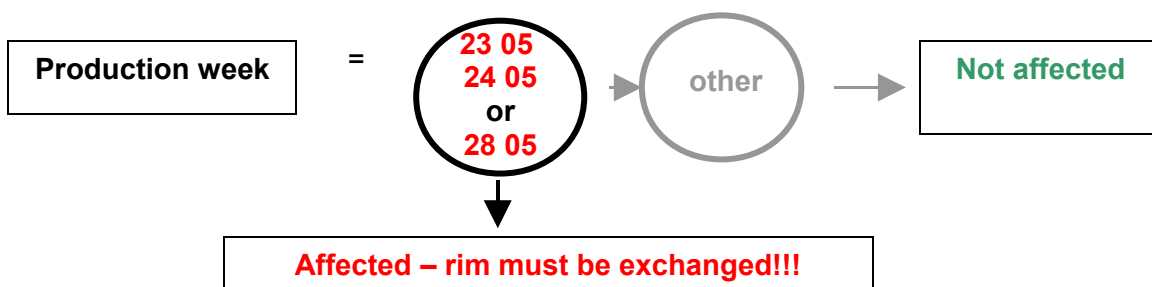

This exchange merely affects certain rim types from certain production batches. Whether your rims are affected may be ascertained by checking the data imprinted on your rims. Please check your spare tire as well. If your rims are soiled, they may have to be cleaned first.

Please check whether your rims are also part of the affected production batches. Your rims must be exchanged only if the production batches "**23 05**", "**24 05**" or "**28 05**" are imprinted on the rim ring behind the dimension "5 ½ J x 14 H2" and the designation "Gianetti Route." Otherwise, there is no need to act.

If there are no marks on the rim ring there is no need to act. In that case it will be the rim of another producer. You may use this rim without any restriction.

Summary: Your rims must be exchanged if:

Please note: If you are unsure whether your rims are affected by this exchange, please contact us.
